CLEAN UP THE LAKE

CONSERVATION DIVE TOUR

Have you ever wondered what it's like to dive with Clean Up The Lake? Sign up and get a tour of a Lake Tahoe litter hotspot. Next you can choose from a variety of options and learn more about how we do what we do! This includes a two tank PADI Discover Local Diving experience.

Learn more

- Search for litter hiding beneath the sand or in granite boulders!
- Learn how we perform aquatic invasive species surveys!
- Look for heavy lift or 'unknown items' and help add to our database!
